YEARBOOK STAFF DEDICATION

The yearbook staff is dedicating our yearbook to Mrs. Diane Monast. Without her dedication, continuous support and the willingness to give of her time, this yearbook would not have been completed. We never could have done it without you. Thank you from the yearbook staff on behalf of the graduating class of '96.

Administration
and Faculty

SCHOOL SUPERINTENDENT

Congratulations, class of '96. You were the first class to attend first grade when the addition to the Berkley Community School was completed in 1989, and now the first class to complete eight grades here. You have achieved a lot, and you have a bright future ahead of you. Set high goals. Work hard to achieve them. Enter high school ready to learn. Have fun in the next few years. Challenge your future teachers to challenge you. Remember, education is a lifelong experience. Best wishes to all of you.

Robert G. James, Ed.D.

SCHOOL PRINCIPAL

To the class of 1996:

Congratulations on your graduation from the Berkley Community School. You have the distinction of being our largest ever graduating class. Continue to work hard, show confidence in your capabilities and conduct yourselves with pride. Best Wishes for success in the next phase of your academic careers.

Sherry A. Medeiros

ASSISTANT PRINCIPAL

It is a pleasure for me to extend my congratulations to the class of '96. May your future be as bright as the years you have spent at Berkley. Your class has revitalized and enriched Berkley — both the school and town. We have been indeed fortunate to have had such an energetic class. I am confident that you will face new challenges with the same energy that you maintained at Berkley. Best wishes for the future.

Mr. Costa

ADMINISTRATOR STUDENT SERVICES

You are ready to graduate from Berkley Community School, and hopefully, you are prepared for the wider world of high school and life in general. Many challenges await you — some will be exciting, some frustrating and some downright scary! Meet them head-on. Set short and long term goals and don't be afraid to pursue them with enthusiasm. You, your parents, and your teachers have all worked hard to prepare you for this step, so work hard, have fun and be successful.

STUDENT COUNCIL '95-'96 AND PRESIDENT'S MESSAGE

It has been an honor and a privilege to have served as President of the Student Council. Thanks to my fellow council members and classmates for their support, and the wonderful memories I will take with me as this school year ends. My hope is that the 1995-1996 Student Council has made a difference. As we leave the halls of Berkley Community School, looking forward to all future endeavors, we will always have our school days to remember with great fondness. I wish all of you continued success on life's journey and when reaching for the stars, I hope you grasp the brightest one.

LOOKING BACK

Jessica Pearson

*Once again the time has come
to say farewell to you.
I thank you all for your support
In all that we've been through.
Once again the end is near,
But this time you should know
You may not see these friends again,
the ones that helped you grow.
So take advantage of the time
You spend with all your friends.
You know you're gonna miss them all
As eighth grade comes to an end.
We've shared so many memories
I hope they all will last.
As you move on with your lives
Do not forget the past.*
